### **US 1 Sign up**

**As a user,**

**I want** be able to sign up for an account in the system by my student's email,  
**So that** I can log in using the registered account later and know I will have a protection over my account.

### **US 2 Log in**

**As a user,**

**I want** be able to log in using my registered account,  
**So that** I can use all the features that the app offers.

### **US 3 Log out**

**As a user,**

**I want** to logout of the app,  
**So that** I can ensure that no one else can use my account.

### **US 4 Password Recovery**

**As a user,**

**I want** be able to reset my password  
**So that** I can re-log in my account when I forget my password

### **US 5 Add personal profile (pictures, hobbies, classes, college, year, gender, etc)**

**As a user,**

**I want** to add my personal profile such as pictures, hobbies, classes, etc.  
**So that** I can find other user bases on my interests or other users can find me based on our similarity.

### **US 6 Edit personal profile**

**As a user,**

**I want** to edit my personal profile such as pictures, hobbies, classes, etc.  
**So that** I can always have updated information on profile.

**US 9 Search for other users based on interest, location, classes, desired meetup**

As a user,

**I want** to search for other users,  
**So that** I can meet other people based on similarities on varieties of factors that I choose, such as interests, locations, classes, desired meetup, etc.

**US 10 Show each element profile**

As a user,

**I want** to see other user(s)'s quick profile from the list.

**So that** I can see who I would like to meet base on their profile.

**US 11 Select user from the list**

As a user,

**I want** to select other user from the list  
**So that** I can send them invite to meet.

**US 12 Send invite notification**

As a user,

**I want** to send invite to other user(s) that I would like to meet

**So that** the other user(s) can be alerted that someone is interested in having a meal with he/she/them.

**US 13 View invite notification**

As a user,

**I want** to view meeting invitation from other user(s)

**So that** I know someone would like to meet me.

**US 14 Accept invite**

As a user,

**I want** to accept an invite from other user(s)

**So that** I can meet with them

**US 15 Decline invite**

As a user,

**I want** to decline an invite from other user(s)

**So that** they know I cannot meet with he/she/them

**US 18 Create chat room**

As a user,

**I want** to be able to create a chat room

**So that** I can communicate with my new friend(s)

**US 19 Send messages in chat room**

**As a user,**

**I want** to be able to send messages in the chat room

**So that** I can discuss with my new friend(s) where and when to meet.

**US 27 Set where to meet in chat room**

**As a user,**

**I want** to be able to set where to meet in the chat room

**So that** everyone in the chat room aware of our meeting location.

**US 28 Edit where to meet in chat room**

**As a user,**

**I want** to be able to edit where to meet in the chat room

**So that** everyone in the chat room aware of our most updated meeting location.

**US 29 Set when to meet in chat room**

**As a user,**

**I want** to be able to set when to meet in the chat room

**So that** everyone in the chat room aware of meeting time.

**US 30 Edit when to meet in chat room**

**As a user,**

**I want** to be able to edit when to meet in the chat room

**So that** everyone in the chat room aware of the most updated meeting time.

**US 32 Meet history**

**As a user,**

**I want** to see who I have met in the past

**So that** I can meet them again in the future.

**Planned in next iteration:**

**US 7 Choose status (available, hidden, away, busy)**

As a user,

**I want** to choose my status

**So that** other users can only invite me to meet when I am available.

**US 8 Edit status**

As a user,

**I want** to edit my status

**So that** other users cannot invite me when I am busy.

**US 16 Notification if sender's invite gets decline**

As a user,

**I want** to know if my invitation to other user(s) get decline

**So that** I can look and meet someone else.

**US 17 Notification if sender's invite get accept**

As a user,

**I want** to know if my invitation to other user(s) get accept

**So that** I can set up a time and where to meet them.

**US 20 Share location in chat room**

As a user,

**I want** to be able to share my location in the chat room

**So that** other users can find where I am and meet me.

**US 21 Open shared location in chat room**

As a user,

**I want** to be able to open a shared location in the chat room

**So that** I can find direction and come to meet other user(s).

**US 22 Send picture in chat room**

As a user,

**I want** to be able to send pictures in the chat room

**So that** I can explain better to others using pictures as illustration.

**US 23 Mute notification for chat room**

As a user,

**I want** to be able to mute the group chat messages

**So that** I will not be distracted while focusing in other important tasks.

**US 24 Create poll in chat room**

**As a user,**

**I want** to be able to create poll with different choices in the group chat messages

**So that** it helps making decision and plans faster.

**US 25 Look for other users**

**As a user,**

**I want** to be able to look for other users

**So that** I can add he/she/them into my existing group chat and set meeting with them.

**US 26 Add additional user to chat room**

**As a user,**

**I want** to be able to add more users into the chat room

**So that** we can communicate better.

**US 31 Meeting reminder notification**

**As a user,**

**I want** to receive meeting reminder notification

**So that** I will be reminded and not miss my meeting.
